Got a Classic Car? (Or even a really loved old banger!)

Following the tremendous success of previous years and with over 150 cars at our 2018 event & with more cars coming each year, this years event is set to be an even bigger success.

This years run will start with a coffee at 10.00am from the Half Way House Pub on the Lewes Road before the cars leave for a panoramic tour of the Sussex countryside, returning to the Half Way House for a lunchtime Pig Roast.

This year proceeds from the event are going to the charity Wealden Works. Details at www.wealdenworks.co.uk/

Prices for 2019 are :-

Car Run £10 per car including coffee
